CENTRAL CONTACT REGISTER

MISSION

The mission of the Central Contact Register is to provide means for:

a. Locating and registering the sources and nature of all foreign intelligence information available in the United States and its possessions by machine techniques.

b. Readily locating any source in the United States having needed intelligence information, for CIG, Army, Navy, Air and State.

c. Controlling all contacts with any individual, business concern or other non-government organizations to prevent duplicating approaches for the same information with any one source.

d. Initiating security "name checks" and code numbers of all proposed contacts and potential contacts.

e. Maintaining records of security "name checks" and code numbers of all proposed contacts and potential contacts.
